

Practical Solutions to Complex Problems

Who We Are

Polaris Consulting Limited is an independent technical consultancy providing services in:

Founded in 2001, Polaris has shown strong organic growth every year. The engine for this growth has been customer satisfaction. Customers recommend us because we consistently deliver technical excellence quickly and economically.

Fundamental to this success is the quality of our people. We have a talented and dedicated team who are serious about technical excellence and about engaging with customers to understand their needs.

What Our Customers Have Said

"Polaris were able to brief an audience with a wide range of backgrounds, installing confidence in the assessment approach"

"They deliver timely solutions to complex problems in a simple understandable way at an appropriate level of abstraction"

"Over the past 2 years I have been extremely happy with the service Polaris has provided. They demonstrate a good understanding of the requirements, work well as part of our team, are very responsive and always strive to keep us informed of progress and have delivered excellent value for money. They respond extremely well to variations in Customer requirements, are very flexible and have been proactive in offering practical solutions to some of the challenges facing us"
